LRB Number <b>09-4222/1</b>	Introduction Number	AB-0730	Estimate Type	Original				
Description  Prohibiting health incurance policies and self-incured health plans from each discussion.								
Prohibiting health insurance policies and self-insured health plans from excluding coverage for injuries based on the use of alcohol or controlled substances								

## Assumptions Used in Arriving at Fiscal Estimate

This bill would prohibit health plans from denying coverage for injuries that resulted from the covered individual's use of alcohol or a controlled substance. The health plans administered by the Department of Employee Trust Funds (ETF) do not exclude coverage for injuries that result from a covered individual's use of alcohol or a controlled substance. As such, it is anticipated that this bill will have no fiscal effect on ETF administered programs.
